1. When you come for the lesson wait in the stairs for temperature to be taken.
2. Wear the mask/visor all the time.
3. Social distance is recommended.
4. Enter premises from Frans Sammut Street (Red door).
5. Parents/guardians are recommended to stay outside the premises. They can drop and collect you from the same place after the lesson. *(For parents/guardians who usually accompany students)*
6. If parents/guardians have any inquiries kindly send an email on [amanteattardsom@gmail.com](mailto:amanteattardsom@gmail.com)

During this scholastic year, try to keep motivation, do all your work and practice more and more to improve your musical knowledge and understanding which also helps for your holistic development. Make sure to arrive on time for all your lessons and also keep continuous contact with our professional tutors. Please inform your tutors if you are not attending lesson. Sincerely, I, recommend you to be supportive to our **12th May Band & Social Club** who is offering a professional school of music without any remuneration!
